Subject Honolulu Rail Project - Pacific War Memorial Site

Hi Cappy –

As a follow-up to our telephone call today, the attached figure shows the location of the rail alignment on the Pacific War Memorial site. Three columns are proposed to be located on the mauka portion of the property. This figure with a different property boundary on the stream side was shown to Dan Quinn in a meeting today.

I was glad to hear that you are available to meet this week to further discuss the rail plans. By copy of this email, I am also inviting Dan and Steve to attend. Cappy, Dan and Steve, please let me know what your availability would be on Thursday and Friday and I can coordinate a meeting. Shall we meet at the memorial site?

Thanks so much for accommodating my request. Looking forward to meeting with you.
